

A Message from the Premier

As Premier of the Province of British Columbia, it gives me great pleasure to send greetings to everyone attending “The Business of Education”, hosted by the Canada India Education Council (CIEC).

British Columbia and India have strong historical, cultural and social connections and government is working to promote and develop even stronger relations. The CIEC contributes so much to these efforts by focusing on educational opportunities and providing institutions and organizations opportunities to come together to discuss important issues and share information concerning new initiatives. This valuable networking opportunity ensures that as the relationship between India and Canada grows even stronger, both countries will see great benefits.

With so many distinguished speakers addressing a range of issues, I have no doubt that this will be a very productive event for everyone attending. Please accept my best wishes for an informative and rewarding experience.

Sincerely,
